The fruit of "racing" lines, **BORN FREE** inherits the strength, good bone structure and kindness of his Sire, as well as the chic and light movement of his Dam, herself the fruit of the Swedish-Polish bloodlines, **Probat** & **Bask**. With his great shoulder and powerful hind, his gait is extended and ample. **BORN FREE** provides an interesting alternative to the Persik and Dormane lines commonly used in France. His offspring, the eldest aged 7 in 2023, are lighter in build, inheriting his fine coat, his strength and his energy on the track. **BORN FREE** sadly departed far too early, but his frozen semen is still limitedly available (European quality).

His Sire **NABATH**, exported to Spain, is one of the highest performance-indexed French endurance stallions (173) having qualified 6 x 3\*. His offspring is also proven: **Aigoual Dimhah** (2x2\*, 2x3\* & 7 y-o W.Ch. Samorin 4\* 2014), **Djoba de Luriecq** (4x2\* incl. 1 win 2015, 2x3\* & participation in WEG 2018 for Switzerland), **Selif de la Nie** (2x2\*, 5x3\* incl. 3 wins & 5<sup>th</sup> EU.Ch. 4\* Samorin 2015), **Shaolin Roc'Hellou**, stallion (3x2\* & 3x3\*), **Taiga de Cammas** (6x2\* & 1x3\* TOP5 Florac 2021), **Un Dia** (3x2\* & 2 TOP5 3\*), **Up To You Art** (3x2\* & 1 podium Fontainebleau 3\* 2018), **Upedro** (4x2\* incl. 2 wins & 2x3\* incl. 1 win), **Uva du Cambou** (6x2\* incl. 2 podiums & 2x3\* incl. 1 win & 1 TOP5), **Bambou de Perros** (2 Top5 2\* UAE 2022).

His Dam **WMA RACHAEL** raced on the flat in America (\$72,469 - twice winner in sprint races and twice nominated for the "Darly Awards"), then in UAE where she won again. Of her 17 offspring, some raced on the flat (e.g. **Rampart** in England), others competed in endurance (e.g. **Chador CEIYJ\*\*\*** Oviedo 2008, **Review de Sommant** (2\*), **Tel Quel de Sommant** (2 x 2\* exported), **U'N'Me de Sallaz** (2\* exported), **Vikitikitavi d'Sallaz** (2x3\* incl. 1 podium in Santa Susana 2x100km 2019), **Sallaz Cooky Crumbles** (2\* Fontainebleau 2021, then 7<sup>th</sup> 100km Kuwait 01/2023), **Abracadabra de Sallaz** (6x2\* incl. 1 win Barre des Cevennes 2019 & 1 podium Kuwait 2022, and 1x3\* Top10 Florac 2019, dam of **Sallaz Flaming Blue** (Top5 CEI1\* Norway 2022)). Also, **Scusi de Sommant** (qualified 1\*, dam of **Avanti de Sommant** - 1x2\* & 2x3\* 2018 & 2022).

His first daughter, **Sallaz Golly Gosh** 2016, qualified 80km in 2022.
