MANIFIK

Hailing from a French x Tunisian bloodline, MANIFIK is a one of the seldom sons of TIDJANI to stand in France. A half-brother to DARIKE and CHNDAKA, he raced in Qatar where he scored four times and got placed twice in 8 runs from 2002 to 2004. He was first retired to stud in Saudi Arabia before moving to Qatar where his first runners are getting the honors on the racecourse. Typically Arabian via his Tunisian maternal line, his conformation shows a lot of strength, with short pasterns, strong feet and great tissues. His golden temperament is of a rare kindness. He can be equally used for racing and endurance seeing the good results that both Darike and Tidjani get in both disciplines.
